MEMORANDUM FOR THE RECORD

- 221**
1. SUBJECT: PAR # ~~unassigned~~, Contract , Illustrated Manual for Lens Evaluation STAT
2. REFERENCE: Conference at P&DS, 23 January 1964
3. ACTION REQUIRED: Preparation of written objectives.
4. ACTION TAKEN: The objectives of this project are:
- The compilation of an instruction manual detailing procedures for visual lens evaluation through the use of an optical bench and point light source. The manual should contain detailed descriptions of equipment, procedures and techniques accompanied by profuse illustrations. Of particular importance are the color photographs of the appearance of the point source as seen through the lens under various degrees and types of aberrations; this coverage is to be of the highest quality and particularly comprehensive.
